

FUNKY

THE BASEMENT BAR

The Basement Bar is its own world, completely separate from the pub floor above, with low light, vintage booths and a bar that's yours for the night.

Whether you're after a seated dinner or a standing event, this space works either way. Booth seating, cocktail tables and dinner tables give you flexibility depending on what the night calls for.

The Basement Bar comes with a full A/V system, wireless microphones and music compatibility, so if you need a speech, presentation or just a solid playlist pumped through a decent system, you're sorted.

A close-up, low-angle shot of a bartender's hands pouring a light-colored, bubbly beverage from a shaker into a glass. The bartender is using a silver-colored metal strainer to catch any ice or fruit. The background is dark and out of focus, with warm, golden light reflecting off the bartender's skin and the liquid. In the lower right, two more glasses filled with the same drink are visible. The overall mood is sophisticated and elegant.
